As a current or former member of the military, we would like to offer you a complimentary LIFETIME Service Club Partner Plan Membership with waived monthly fees as a gesture of our gratitude.

Here are the current enrollment guidelines:

- *Ownership of the primary residence is required*
- *The plan is valid for residential units only; rentals and vacation homes are not eligible*
- *We do not provide services for boilers or commercial units*
- *Currently, the plan covers central air units only, with a possibility of adding mini splits in the future*
- *Your membership can be transferred to your spouse in the event of your passing for continued support.*
- *To enroll, kindly visit our office, present a Military ID to our staff, and sign the Warrior Plan.*

As a Club Member, you are guaranteed appointments in 24 hours, a tune up on your unit, a 20% discount on repairs and a \$41.00 diagnostic fee. That's 50% off the current price for a diagnostic fee, and it applies even on weekends and holidays! With a Club Plus Plan, both your furnace and air conditioner would be included.

For an additional small investment, your tanked water heater can be added to your plan. Tune up must be performed at the same time as your furnace tune up.

Each tune up is a 21-point comprehensive service including a thorough cleaning of the unit.

We will arrive on time, & we will call 30 minutes prior to arrival.

We will wear shoe covers, use work mats and thoroughly clean our workspace to keep your home clean.

About All Seasons

All Seasons Heating & Cooling began serving families in the Great Lakes Bay Region in 1979. We are family owned and currently operated by brothers Paul and Mark Kohtz. Jeff and Gerri Kohtz began the business out of their home initially in 1979, eventually expanding and building where it is today on E. Airport Rd. Our services include heating, cooling, water heaters and indoor air quality.
